

CARTS Aviation Targetry Offeror Requirements Matrix					
	Company Name:	<Enter Name>			
<b>Instructions to Evaluator:</b> Use this matrix to determine compliance with the requirements of the Solicitation. You shall evaluate each requirement 'Acceptable' or 'Unacceptable' against each specified section of the TC 25-8 and/or Appendix B - Technical Requirements Document of the LOMAH SOW for that requirement. If determined 'Unacceptable' you shall provide justification in the Notes Section.					
<b>Note to Offerors:</b> In the notes section you shall provide a page number of your proposal which shows your compliance with the requirements identified below. If the page contains a significant amount of information, then you shall include the specific section/paragraph of the page.					
A	T-72 Steel Target	Acceptable	Unacceptable	Notes	
1	Size - Appendix B – Technical Requirements Document Section A1 and TC 25-Figure B-71.				
2	Target Construction - Appendix B – Technical Requirements Document Section A2.				
3	Transportability - Appendix B – Technical Requirements Document Section A3.				
4	Reliability - Appendix B – Technical Requirements Document Section A4.				
5	Signature - Appendix B – Technical Requirements Document Section A5 and TC 25-8.				
5.a	Day Visual Cues				
5.b	Night Visual Cues				
6	Target Surface - Appendix B – Technical Requirements Document Section A7.				
7	Other - Appendix B – Technical Requirements Document Section A6 and A8.				
B	BMP Steel Target	Acceptable	Unacceptable	Notes	
1	Size - Appendix B – Technical Requirements Document Section A1 and TC 25-8 Figure B-68.				
2	Target Construction - Appendix B – Technical Requirements Document Section A2.				
3	Transportability - Appendix B – Technical Requirements Document Section A3.				
4	Reliability - Appendix B – Technical Requirements Document Section A4.				
5	Signature - Appendix B – Technical Requirements Document Section A5 and TC 25-Figure B-49				
5.a	Day Visual Cues				
5.b	Night Visual Cues				
6	Target Surface - Appendix B – Technical Requirements Document Section A7.				
7	Other - Appendix B – Technical Requirements Document Section A6 and A8.				
C	Truck Steel Target	Acceptable	Unacceptable	Notes	
1	Size - Appendix B – Technical Requirements Document Section A1 and TC 25-8 Figure B-70				
2	Target Construction - Appendix B – Technical Requirements Document Section A2.				
3	Transportability - Appendix B – Technical Requirements Document Section A3.				
4	Reliability - Appendix B – Technical Requirements Document Section A4.				
5	Signature - Appendix B – Technical Requirements Document Section A5 and TC 25-8 Figre B-60.				
5.a	Day Visual Cues				
5.b	Night Visual Cues				
6	Target Surface - Appendix B – Technical Requirements Document Section A7.				
7	Other - Appendix B – Technical Requirements Document Section A6 and A8.				

D	BMP Plastic Target	Acceptable	Unacceptable	Notes
1	<b>Size</b> - Appendix B – Technical Requirements Document Section B1 and TC 25-8 Appendix B Figure B-10 and Figure B-11.			
2	<b>Signature</b> - Appendix B – Technical Requirements Document Section B2 and TC 25-8 Appendix B Figure B-48 and B49.			
2.a	Day Visual Cues			
2.b	Night Visual Cues			
3	<b>Target Surface</b> - Appendix B – Technical Requirements Document Section B4.			
4	<b>Transportability</b> - Appendix B – Technical Requirements Document Section B3.			
E	BTR 60 Plastic Target	Acceptable	Unacceptable	Notes
1	<b>Size</b> - Appendix B – Technical Requirements Document Section B1 and TC 25-8 Appendix B Figure B-10 and Figure B-11.			
2	<b>Signature</b> - Appendix B – Technical Requirements Document Section B2 and TC 25-8 Figure B-54			
2.a	Day Visual Cues			
2.b	Night Visual Cues			
3	<b>Target Surface</b> - Appendix B – Technical Requirements Document Section B4			
4	<b>Transportability</b> - Appendix B – Technical Requirements Document Section B3			
F	Schedule	Acceptable	Unacceptable	Notes
1	Meet Delivery Dates in Section F.2 of the Solicitation for:			
1.a	Fort Carson, CO			
1.b	Fort Bliss, TX			
1.c	Yakima Training Area (YTA), WA
