NOTE: The time line for award of a competitive contract is presented above as information only. The requirements under the competitive contract are not a part of the sole source requirement under Opportunity Number STOCII-12-KOV-0015. The information is submitted with the Notice of Intent to Award Sole Source under STOCII-12-KOV-0015 so prospective offerors can assess the risks associated with the preparation and submission of capability statements for a requirement to deliver NCM3 systems developed at government expense where a Technical Data Package (TDP) is not currently available and will not be provided.
